EXAMINER'S AMENDMENT

Examiner notes that claims 6, 7, 13, and 14, withdrawn on 8/30/2005, depend from allowable generic claims 1 and 9. Accordingly, claims 6, 7, 13, and 14 have been rejoined.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Richard Apley on 1/17/2007.

The application has been amended as follows:

Claim 13, Line 1: "claim 11" has been changed to --claim 9--.

Claim 19 has been cancelled.

Status identifiers of previously withdrawn Claims 6, 7, 13, and 14 have been changed from "(Withdrawn)" to --(Original)--.

The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of the claims is that the prior art of record neither teaches nor suggests the inclusion of the limitation of the second ends of the

Art Unit: 3679

first and second fence panels "having an overlapping distal end portion configured differently than said first ends and providing a substantially planar flush fitting engagement therebetween" (Claim 1, Lines 21-23; Claim 9, Lines 36-38). The closest prior art of record, Nofziger, Cook, and Infantino taken as a whole, disclose a fence system significantly as claimed, but do not teach or suggest the second ends of the first and second fence panels having an overlapping distal end portion configured differently than said first ends and providing a substantially planar flush fitting engagement therebetween. There is no teaching or suggestion, absent the applicant's own disclosure, to modify the fence system of any of Nofziger, Cook, and Infantino to produce a fence system having the aforementioned elemental features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Joshua T. Kennedy whose telephone number is (571) 272-8297. The examiner can normally be reached on M-F: 7am - 3:30 pm.
